Title of Project:

Please completely answer all of the following questions. This application must be submitted to the Vuntut Gwitchin First Nation Heritage Department 30 days prior to arriving in the Vuntut Gwitchin traditional territory.

1. What is the focus of your project? What are the subjects? (i.e. people, animals, landscape)
2. What is the schedule for the project (i.e. planning, deadlines, expected date of completion, expected date of release)
3. Where and when will the article/photos be published? How long will the article be? How many photos?
4. Who is the intended audience? In what language will the article be published? If the article will be published in a language other than English, will a translation or summary be made available?
5. Who will have access to the information gathered from this area? (e.g. will you use information gathered in this area for other articles/publications?)
6. Where will your activities take place? (e.g. in Old Crow, on the land, etc.)
7. If the subjects of the article/photo include people, please provide information on how contact is proposed to be made with people. How does your organization

deal with gaining informed consent from people in the film? (attach sample consent form if applicable)

8. Describe any economic or other benefits to the Vuntut Gwitchin of the project.
9. What logistical support will you be anticipating to require? (ie. accommodation, assistants, information, boat operators, translators, etc.)
10. What is unique or significant about this proposed project?
11. Please list previous related articles/photos.
12. Please provide contact information for at least two contacts outside of your organization that know your work. May VGFN contact these people regarding your work?
